

The Cherry Hill Seminary Pagan Life Academy

Explore the wheel of the year through this series of eight myths, study questions and rituals, created especially for Pagan inmates, chaplains and prison volunteers. Each is drawn from a different pagan source, including Greek, Egyptian, Native American Indian, Norse, Irish and Roman. Pagan Life Academy lessons each focus on a character-building virtue, all of which create a foundation for transformed living. In every package:

- A story from mythology
- A ritual for one holiday
- Some questions to think about and answer
- Basic instructions for holding a ritual
- Poetry and words to chants written for the lesson
- A chart of nature, color and spiritual correspondences
